WHO WE ARE

Founded in 1994, today Fonkoze is a family of three organizations (Fonkoze USA, Fonkoze Foundation, Fonkoze Financial Services) working cohesively to enable access to economic opportunities and development services to Haiti's poor.

OUR MISSION

To empower Haitians, primarily rural women, with the financial and development services needed to lift their families out of poverty.

WHERE WE WORK

Located in virtually every region of the country, 90% of Fonkoze's vast network of branches is in rural Haiti - providing many Haitians their only access to financial & development services.
